

Maywood Public Library Reference and Readers' Advisory Policy

Policy 24.0

The goal of the reference and readers' advisory service is to provide accurate answers by trained staff members during all hours that the Maywood Public Library is open.

This is accomplished by:

Providing materials and services to meet users' needs for timely, accurate, and useful information.

Providing trained staff to assist patrons and facilitate access to the Library's collections and cooperative resources.

Assisting patrons in the use of reference resources, Library materials and in the development of research strategies.

Providing readers' advisory service.

Providing efficient referral and effective follow through including interlibrary loan, resource sharing and supplementary reference services to Maywood Public Library District cardholders.

Keeping the community well informed about the reference services and resources that are available and encourage their use.

Ethics and Standards

The informational needs of every library patron will always be taken seriously and facilitated with objectivity, respect, and confidentiality. Staff does not discriminate based on age, gender, race, sexual orientation, disability, or appearance in providing reference services. Providing advice and suggestions for recreational reading is an essential service in a public library. Each patron's reading tastes will be taken seriously and without judgement, however, when performing Readers' Advisory services, personal interpretation and recommendation are unavoidable. Service is provided in a manner consistent with the Library Bill of Rights, the American Library Association Code of Ethics, and copyright law.

Availability of Service

The Maywood Public Library District provides reference and readers' advisory assistance to any patron requesting it, regardless of residency. Reference and readers' advisory service is provided by trained staff during

all hours that the Library is open. The entire collection is available to patrons of all ages.

Priority is given to in-person requests, however, staff will complete a telephone question that is already in progress before attending to an in-person request. Answering questions has priority over other staff assignments. If information appropriate to the patron's need is not available in the Library, referral will be made to local or regional resources, interlibrary loan, and/or other libraries. Staff will verify that the needed information is available from the source referral. Whenever possible, answers to questions will be provided during the patron's visit or telephone call.

When other patrons are waiting, staff may have to limit the initial amount of time spent serving an individual patron but follow-up attention will be given. Staff will attempt to answer a patron's question within the patron's required deadline. Otherwise, questions usually will be answered, referred, or a status report given within 1 business day. A longer response time will be negotiated with the patron when staff needs additional time to locate the needed information.

Providing Service

Reference staff will use all available sources of information to answer questions. This includes, but is not limited to books, periodicals, electronic databases, the Internet, government agencies, associations, and organizations. Long-distance telephone calls and/or email may be used to answer questions. The Librarian's personal opinion will never be given as fact. While the Librarian will provide sources of information, information will not be interpreted and the Librarian will not offer legal, medical, or tax advice. If it is not possible to answer a question by the above means, questions will be referred to another agency, when appropriate. Staff will guide people doing extensive research or compiling large amounts of information to appropriate sources. Reading and interpretation of materials is the patron's responsibility.

Limitations

Information, particularly in the subject areas of law, medicine, consumer information, religion, politics, and personal finance/tax information, is presented without interpretation, advice, analysis, or personal recommendation.

Staff will not engage in conversation or debate of a personal nature, including but not limited to religious or political beliefs, or their personal lives.

Patrons may not request to work exclusively with a particular staff member.

Staff set reasonable limits on the amount of time and level of response given to patron requests for information in order to ensure equal and fair access to reference services for all patrons.

When it is not possible to answer a question by traditional means, staff may refer questions to another agency when appropriate.

Patrons must comply with the Library's Code of Conduct Policy when engaging in reference services.

Staff does not provide editorial, typing, tutoring, or translation services.

Restrictions on accounts may prevent patrons from checking out items.
