Maywood Public Library District Interim Director Report October 16, 2024

September and October have already been busy months filled with exciting partnerships, both new and old, and programs available to our patrons.

We had our final Farmer's Market session on September 26th, 2024. To show their appreciation, the Read Food's collective gave the staff a basket full of fresh produce, sweet treats, and a 10% off coupon on their next purchase.

We had a better turnout of participants this year for our *Passport to Proviso Contest*. Every September, we celebrate National Library Sign Up Month. This year, our winner was Elizabeth Stevenson. She was incredibly excited to have won and even shared her enthusiasm by asking if it would be posted online.

We are welcoming back Loyola University services in our rotunda this October with Community Hypertension Prevention Project, Prostate Cancer Awareness Information, and NAMI (National Alliance on Mental Illness) education on mental health.

Our 3rd floor is also prepped and ready for our first official Early and Election Day Voting Collaboration. Our community is excited about this opportunity! We've gotten multiple calls already, and thanks to the help of our Library Assistant, Claire Hubble, for gathering information about early voting, creating fun infographics about voting procedures, and for make it possible for us to have a page on our website to refer to if people have questions! She rocks! The webpage can be found at: <u>https://www.maywoodlibrary.org/early-election-day-voting</u>

Lastly, we have also welcomed DLD for Youth! They are here on Mondays and Wednesday, to show our youth different skills and guidance needed when growing up. They have had a huge turnout already, and we look forward to our continuous collaboration.

Budget/Finances

B&A Ordinance/Annual Levy/.02 Building & Maintenance Levy: Jamie, Kathy, and I have been working on submitting the B&A Ordinance and Annual Levy for this year.

As mentioned in last month's meeting, our levy sum of \$1,929,000 be and the same is assessed and levied from and against all taxable property within the limits of the said Maywood Public Library District. The Annual Levy is set to protect from losing money in case EAV falls. The extension will not go up more than around 4%.

At this meeting we will be bringing a .02 Building and Maintenance Levy to the board to approve. Jamie will also attend this meeting to answer questions and update our current levy.

Facility

Elevator Modernization Project: At our last board meeting, there was a main concern of making sure that the elevators' work and that the contingency is enough to cover any possible issues that occur once the work begins.

To recap, Colley elevator presented two alternatives after Colley surveyed our elevator and suggested that our cylinders may need to be replaced. However, the cylinder work was not included in our contingency or in our budget. The first alternative recommended the library to do the complete mechanical and cosmetic work for the west elevator and working on only the mechanical work for the east elevator. The second alternative was to complete the entire mechanical and cosmetic work for both elevators.

After touching back with Independent Construction Service (ICS) and Williams Architect's, they were able to put together the numbers for the work that Colley suggested. Dan, from ICS was asked to rework the numbers that included the scope of work and the pricing with the alternatives that Colley suggested. Later, it was also asked if he could report the numbers of the original and mechanical work being done on the west elevator. Included in this packet is a rework of the numbers. Here are some highlights:

Original scope of mechanical work on both elevators and west elevator cosmetic work- \$248,048. This does not include any of the "alternate additional recommendations" work Colley detailed in their July 25th letter.

The high side of the range is \$480,822. This assumes both cylinders are bad and need to be replaced, the pit channels must be replaced in the east elevator and the interior car doors need to be replaced in the west elevator. This budget also maintains the original \$22,132 contingency to account for other possible concealed conditions that may exist.

Unfortunately, we must take into consideration this possible work during the modernization project, since the load test is done when all work is completed, and it is witnessed by the state elevator inspector. If we want a load test done before work begins, we will have to request and pay for it.

Another route that was suggested to cancel the alternates for the cab modernization. If the elevators pass, the cab modernization part could just be put out to bid again and done after the project. The disadvantage will be having to put our elevator out of service twice.

Projects

Paylocity: The vacation, sick, and personal time policies have been updated and submitted to Paylocity. They now reflect what is our rates and regulations. As of this month, vacation, sick, and personal time totals have been submitted to Paylocity as well to allow our staff to view and submit requests online. I will continue to use the Leave Log created while getting this project done to make sure that it is reflecting correctly.

Smart Lockers: Last month, we were having issues with the connectivity of the Smart Lockers. However, once investigating, Marcia found that we will have to manually reset

them every time an outage occurs. When discussing with Pedro, we plan to switch out the outlet that is outside to one that would not cause interruption.

I was able to connect with Tim Reynolds from Custom Sign Consulting. He was able to design a wrap for our smart lockers, but it was simple and did not give much direction on how to use. It will also be better if the instruction were in English and Spanish. He has sent 2 designs so far and will be sending more colorful ones soon.

Ground Level Carnegie Building & 3rd Floor Update: Last month, Stephanie reported that

she will start the clearing out of the metal that is in the old Book Sale Room in the Carnegie Building. That section is now cleared! Stephanie and Pedro worked together to move the metal. Furthermore, Stephanie cleared out the 3rd floor, including the floor area and the 2 nooks on the floor. This took her 2 weeks to do and required sawing off and demolishing old study carols that were built into the wall. They are now clear of all the material that was placed in these reading nooks.

Electric Sign for MPLD: We finally have a sign design sent by Alexa from SignCo./Watchfire. The cost to manufacture and install the sign will be \$72,000 and the permit Procurement is \$400, all fees will be billed at cost. Here is a sample of it. I did request a sample of a raised sign, since we have concerns about drivers not being able to see when turning out.

Grants

DCEO Grants: We received checks from the ILS for our DCEO Grants in the amounts of \$10,000, \$14,000. These payments have been deposited to our primary account and need to be transferred to their specific grant account. I have asked Doreen and Trustee Erica Sanchez to transfer over the payments.

Live and Learn Construction Grant: We have also received payment of \$50,000 for our awarded Live and Learn grant. It has been deposited as well.

Technology Grant: Our technology grant funds of \$27,500 have been received this month as well! This one has been deposited to our primary account. Because we do have to report for this grant, I believe creating a specific budget line label ILS Tech Grant will make it easy to keep track. I will be presenting this at our board meeting.

Staff

We will be hiring a new library assistant for Adult and Youth Services to replace the current positions we have vacant. John Fruit has been taking the lead on this project. We also hired someone for Patron Services, and they will be starting later this month.

I am finalizing the Head of Patron and Technical Services search and plan on having this role by the end of this month.

Miscellaneous

Incident Reports with Youth: We have been experiencing a lot of tweens fighting, running, but most importantly, orbeez shootings. The tweens have made the MPLD their meetup spot, where they plan their next moves, while also causing disruption to our library with their yelling, swearing, and physical altercations. I reached out to Officer Herrera and have set up a plan to try to tackle this issue. With her help, we will be getting in contact with parents to alert them of their child's behavior. Furthermore, the library will begin to search bookbags for an orbeez gun.

Submitted by: Daniela Martinez—Interim Director | Head of Youth Services

September 2024 Report – Information Services

General:

Rhonda Fentry's Soundbath Meditation program continues. We had 4 and 7 people attend the latest two sessions. We had our first Bilingual Pilates class. Only two participants, but they both thought it was fantastic. I'll work on promoting it more. In November we will have our first Qi Gong Meditation program.

On September 26th, we delivered 60 books and DVDs to 15 homebound patrons at Maywood Assisted Living. The next delivery is scheduled for October 31st.

I arranged with Kassandra Alvarado of Selah Freedom to host two programs on human trafficking at the library. One is geared towards teens and is about staying safe online, and the other is geared towards adults and is a general informational program on human trafficking. These events took place on October 3rd.

Our Dungeon's & Dragons program has a dedicated following, and we are looking at expanding the number of events we are doing and adding a remote option.

We applied for and received another Age Guide grant for library programming and technology geared towards seniors. This is a continuation of a grant we have had for the last year that has funded programs, circulating iPads, circulating hotspots, and more for the library and our senior patrons. I also participated in the quarterly meeting for our current grant from Age Guide.

The hotspots continue to be very popular recently, and we have lost 3 in the past few months, so we have acquired 6 more to circulate from Mobile Beacon.

Programs:

SEPTEMBER

Tuesdays @ 12:00 Quilting and Sewing (2,3,3,2,2,3,2,2) Stop by our regular quilting and sewing group.

Fridays @ 10:00 Tech Friday (0,1,2)

Sign up for one-on-one tech help. Get help with your smartphone or computer. Contact us to reserve a slot.

Saturdays @ 10:00 Resume Relief Visit Maywood Public Library on Saturdays to get personalized resume assistance. 9:00-12:00 & 2:00-5:00. Contact us to reserve a slot. (<u>https://koalendar.com/e/resume-relief</u>)

Avoidance Club

Need a little extra help, join our Avoidance Club, where we meet to check things off our to do list that we have been avoiding!

September 5 @ 4:00 (2) September 19 @ 4:00 (3) Changed to every Thursday

September 9 @ 5:30 STEM for Adults (3) Never let go of your love of science and nerd adjacent things? Neither have we! Join us for our first ever STEM Club for adults

September 10 @ 12:30 Soundbath Meditation (3) Soundbath Meditation returns! Soundbath Meditation is a form of meditation using the ambient sounds and vibrations from crystal singing bowls, Tibetan singing bowls, Tingsha Bells, and other instruments to tap into your deeper self-conscious, creating a sense of calm, peace, and relaxation.

September 10 @ 6:00 Adult Arts & Crafts (4) Sign up for our adult crafting night.

September 12 @ 5:00 Mindfulness Meditation (2) If you have an interest in meditation and don't know where to start, you're welcome to come check out our Intro to Mindfulness Meditation sessions.

September 12 @ 6:00 Family VR & Gaming Night (1) Stop in to play Nintendo Switch games and try out the library's VR Headsets

September 14 @ 11:00-12:30 Unity Discussion Group (5) Stop by our unity discussion group and talk about the complexities of race and society.

September 16 @ 10:00 HAP Foundation Grief Seminar (0)

This presentation provides a guide to the different types of loss and how they affect us. We will address common myths about grief. We will also discuss the different categories of grief and grief-informed care. Participants will learn about coping strategies and how best to support loved ones who are grieving.

September 19 @ 7:00, Nobody's Fool: Why We Get Taken In & What We Can Do About It (1) Join us for a talk with Professor Dan Simons, co-author of Nobody's Fool: Why We Get Taken In and What We Can Do About It, brought to you in partnership with the League of Women Voters of Illinois Mis/Disinformation Task Force. Via Zoom.

September 24 @ 1:00 Bingo (2) Stop by for Bingo. Win a prize!

September 25th @ 7:00 Adult Craft Diamond Painting Kits (17) Create a landscape painting using diamonds and glue in our adult craft.

September 26th @ 4:00 Bilingual Pilates (2)

In this program he would be teaching you the Basic Principles of Pilates method. All beginners are welcome. It will help you strengthen muscles and improve posture and flexibility, release tension and move better. The program will be presented in English and Spanish.

September 26 @ 6:30 Book Club (0) Sign up for our MPLD Adult Book Club! Read *Bridgerton: The Duke and I* by Julia Quinn in September.

September 28 @ 9:30 Intro to Dungeons & Dragons (4) Learn the basics of table top role playing games and play Dungeons & Dragons!

Outreach/Technology Department Monthly Report

September 2024

- The Smart Locker project is now underway. I've begun testing the system with the use of staff acounts only. We've experienced several power interruptions over the past month. I've been working with maintenance to mininize these disruptions because they directly affect the use of the Smart Lockers.
- Monthly updates for the public computers are still ongoing.
- The project to improve website accessibility compliance is still in effect. This continued project gives us the opportunity to examine our existing website and explore every opportunity for determining our website needs for the future. External assistance for website maintenance is still being discussed.
- We are also in the process of updating our existing phone system. I've reached out to a few consultants that can help us understand exactly what our phone needs look like for the future.

Outreach Visits

- Over the past month, I have attended two events for School District 89.
 - o Washington Dual Language Academy's Hispanic Heritage Festival
 - o Irving Middle School's High School Resoure Fair

During both events, the library was represented with a table of information to promote all of the services and events the library offers. Additionally, information about how to obtain library card was presented.

- During my visit to Irving Middle School, I was able to connect with staff from two of the local high schools, Proviso East and Proviso Math and Science Academy. I distributed business cards and got the information for both school librarians. I will be reaching out via email for invitations to future school events.
- I am also in the process of building my contact email list for various community organizations. I will be reaching out to connect with them for future events.

Maywood Public Library District C/o Williams Architects 500 Park Blvd. – Ste. 800 Itasca, IL 60143

Re: Alternate/Additional Recommendations for Elevators - 121 S. 5th Ave., Maywood, IL

To whom this may concern,

We appreciate you reaching out and allowing us to survey the elevator for this bid. During my survey, I felt I should suggest this alternate solution to the problems that were explained to me on site during this visit. This differentiating opinion is primarily in regard to the "East" Elevator. Please review and let me know if you have any questions.

East Elevator Scope of work- The project scope of work entails replacing the control operating system (controller), fixtures (push buttons), door operator & assoc. door equip. and power unit. All of which were done in 2012. The equipment that is being asked for would be no different than what is there now.

Issues Presented (bouncing/sinking/oil loss-not sure where)

The issues explained to me (bouncing/sinking/oil loss -2^{nd} hand from building - told to them by current company) could be as simple as a valve adjustment or as serious as a cylinder replacement. Without being the maintenance company and having that service history (tending to service calls/treating), I am unable to determine this for them. I would approach as a valve adjustment, if that does not work, we could discuss valve rebuild or replacement options (pricing found below). Worst case, we could be talking the need for a cylinder replacement (pricing found below). None of which I saw on the scope which was worth bringing to your attention.

Cylinder

This hydraulic cylinder is a large piece of metal pipe that is buried, vertically, approximately 40' (+/-) underground. For the last 36 +/- many years, this has been in contact with soil/sand/water /electrolysis, which all deteriorate metal over time.

There is no way to determine the condition for it is buried but during the annual CAT 1 test it is pressurized to expose any leaks. These tests can create pin holes that could expand over time as well. With it being this old, we'd suggest planning for the eventual demise.

There are also some risks when you remove a cylinder from the ground that could increase costs. See below:

Cylinder hole clause: The contract price is based on encountering soil, free from rocks, boulders, building construction members, sand, water, quicksand, underground caves or any other destruction or unusual condition during installation will result in an increase by the amount of the additional labor at our usual rates, and the actual cost of additional materials plus 15%.

Pit Channels

The metal used to stabilize the hydraulic cylinder is deteriorated and should be replaced. This is broken out from the cylinder replacement because it should be done if the cylinder is not immediately replaced. (see picture below)

We feel confident you can forego the modernization that the project scope calls for and tackle the immediate needs.

Valve Rebuild Valve Replacement	\$ 6,000.00 \$ 10,000.00
Cylinder	\$ 57,000.00
Pit Channels	\$ 6,232.00

West Elevator Scope of work- The project scope of work entails replacing the control operating system (controller), fixtures (push buttons), door operator & assoc. door equip. and power unit. All of which I am in agreement with but there are items I would like to bring to your attention.

Car Doors (doors seen inside elevator)

The doors themselves were in rough shape and replacing those as part of the modernization is recommended.

Hydraulic Cylinder

Also, the hydraulic cylinder is approx. 27 years old which replacement should be budgeted for. May not need replacement now but you should at least know the cost in todays dollars (seen below).

Car Doors	\$ 5,320.00
Cylinder	\$ 52,700.00

If you should have any questions or require any additional information, please call me at extension 112 or on my cell phone at 224-535-1742. Sincerely,

Alex Macias Alex Macias

Account Manager

STATE OF ILLINIOS

) ss.

SECRETARY'S CERTIFICATE

I, LaSondra Banks, the duly qualified and acting Secretary of the Board of Library

Trustees of the Maywood Public Library District, Cook County, Illinois and the keeper of

the records thereof, do hereby certify that attached hereto is a true and correct copy of

an Ordinance entitled:

ORDINANCE AUTHORIZING THE LEVY OF AN ADDITIONAL TAX FOR MAINTENANCE REPAIRS AND ALTERATION OF THE LIBRARY BUILDING AND EQUIPMENT

Adopted at a regular meeting of the Board of Trustees held on the 16th day of October

2024.

IN WITNESS WHEREOF, I have hereunto set my hand this 16th day of October, 2024.

LaSondra Banks, Secretary

ORDINANCE 2024-04

ORDINANCE AUTHORIZING LEVY OF AN ADDITIONAL TAX FOR THE MAINTENANCE REPAIRS AND ALTERATION OF THE LIBRARY BUIDLING AND EQUIPMENT

WHEREAS, ss35-5 of the Public Library District Act of 1991 (75 ILCS 16/35/5) authorizes the levy of an additional tax of .02% of the value of all taxable property in the District, as equalized or assessed by the Department of Revenue for the maintenance, repairs and alterations of the Library building and equipment.

NOW, THEREFORE, BE IT ORDAINED BY THE Board of Library Trustees of the MAYWOOD PUBLIC LIBRARY DISTRICT, Cook County, Illinois, that it hereby determines to levy an additional tax of .02% of the value of all taxable property in the District, as equalized and assessed by the Department of Revenue for the maintenance, repairs, and alterations of the Library building and equipment.

BE IT FURTHER ORDAINED that within fifteen (15) days after the adoption of this Ordinance, the Secretary shall publish it at least once in one or more newspapers published in the District, or if no newspaper is published therein, then in one or more newspapers with a general circulation within the District.

BE IT FURTHER ORDAINED that if no petition is filed with the Board of Library Trustees by November 15, 2024 thirty (30) days after the aforesaid publication, the District shall then proceed with the levy of said additional tax. However, if within the thirty (30) day period, a petition is filed with the Board of Library Trustees, signed by electors of the District equal in number to 760 or more of the electors (being 10% or more of the registered voters of the Library District) in the Library District, asking that the question of levying such a .02% tax be submitted to the electors of the District, the question shall be submitted at the end of the consolidated election. If a majority of votes cast upon the question are in favor thereof, the Board of Library Trustees may levy an additional tax. The Secretary of the District shall provide a petition form to any individual requesting one.

ADOPTED and effective the 16th day of October 2024 pursuant to a roll call vote as follows:
